

# WEEKEND HOOKERS GOLF CLUB

The WEEKEND HOOKERS GOLF CLUB extends an invitation to you to become a member of our FUN organization. We are an official affiliate of the Southern California Golf Association (SCGA).

We are a group of amateurs with handicaps from the minimum to the maximum. We get together once a month to play a round of golf for prizes and golf balls, usually within 60 miles of the City of Los Angeles.

We are not a club that belongs to anyone golf course. Most of the time, a course is played only once in a given year. We have two-day out of town tournaments twice a year.

Annual dues are only \$65.00 (September through August) and the tournaments only run a few dollars more than the actual cost of golf. This gives us all an opportunity to WIN PRIZES, establish a handicap and have a lot of fun with others who like to do the same thing.

You are not obligated to play all tournaments, but you will enjoy yourself. THAT is an historical fact. Men, women, working, retired, young or mature are all welcome as long as they are of good cheer.

To show your interest, please complete this application and return the bottom with you annual dues.

**One application per person. Mail to- WEEKEND HOOKERS G.C.**
